Seeking your input regarding Oct CNews – Wondering about the picture at the top of CNews Update and if it would be nice to continue to include a picture there. Everyone agreed that more pictures are better!

The CNA Facebook invite for the Police meeting is getting some action. Many comments, likes, hopefully many attend. It is on the same night and overlaps with the Vice Presidential debate.

Facebook series on social justice signs: what to call it. This is to name the facebook series of racial/social justice signs that people photograph in our neighborhood. Group voted for “Signs of Concordia.”

Review and finalize the November 2020 CNews line up

- All stories are on track right now. Biga Pizza is one of our stories this week and Marsha has connected the owner with Gina to buy an ad. YAY.
- We need someone to write a story about the Police meeting tomorrow - Steve will write the story
- We need to write something to invite people to the November meeting which includes elections.
- Karen Wells has a neighbor that spearheaded a RBG street mural and Maquette is going to interview Karen's neighbor for Concordia Art Works.

Page 1 now includes a "we are not liable statement". Gordon reviewed what we wrote and where it's located on the page.
