

## **CNA Media Team Meeting Minutes | Tuesday May 4, 2021, 6 - 7:30 p.m. Virtual**

**In attendance** - Gina Levine, Gordon Riggs, Nancy Varekamp, Peter Keller

**Review of May CNews** - a lot of feedback already about stories in the paper - people are reading!

### **Distribution of CNews**

A few members of the media team continue to put papers in 4-5 free book library boxes - we think it is worth it as long as they are willing and able to do it! We also have hand delivery for Kennedy School, Extracto and Alberta Food Co-op and those piles are dwindling or gone by the next month's delivery.

### **Results of query to Media Team members re: meeting day/time**

Gordon has reached out to the media team to see if a better time/day would work for our monthly meeting. According to replies, there are no expressed conflicts with current day/time and we will keep it as it is for now.
