Discuss options for Urbanism column

- Garlynn is leaving the board and will not be leading the LUTC.
- We have another new board member who will likely take ownership of leading LUTC.
- We would like to plan for the urbanism/land use column, as soon as there are meetings.
- Gordon plans to attend so that we can get updates on who could write updates for CNews.
- It was mentioned that perhaps a few people from LUTC could take turns writing the column.
